Cleaning Time Again

Every year we make an effort to clean every corner to keep our facility in tip top shape. Family members are an important part of this effort and the support provided can help to make the cleaning less disruptive and more successful. Please help by:

- 1.) Due to limited space, remove excess personal items no longer needed by the resident.
- 2.) Cleaning drawers and closets, and checking for items that need to be replaced or need repair.

Thank you! We appreciate your help!!!
