

Cleaning Time Again

Every year we make an effort to clean every corner to keep our facility in tip top shape. Family members are an important part of this effort and the support provided can help to make the cleaning less disruptive and more successful. Please help by:

- 1) Due to limited space, remove Christmas decorations and excess personal items no longer needed by the resident.
- 2) Cleaning drawers and closets, and checking for items that need to be replaced or need repair.

Thank you! We appreciate your help!!!

Reminder

Just a reminder that if you give your family member clothing please make sure you are bringing it to the nurse's station so that laundry can mark them before they are put in the Resident's closet.

A Big Thank You

We would like to thank everyone that gave gifts this holiday season. We would also like to thank everyone that came to do programs, Christmas Carol, and visit during the past month. Your visits were greatly appreciated! We hope everyone had a very Merry Christmas!
