

Spring Cleaning is on the Horizon!

It is that time of year that we will begin Spring Cleaning of our facility. Every year we make an effort to clean every corner to keep our facility in tip top shape. Family members are an important part of this effort and the support provided can help to make the cleaning less disruptive and more successful.

Please help by:

- 1) Due to limited space, remove excess personal items no longer needed by the resident (greeting cards & declutter bulletin boards) .
- 2) Cleaning drawers and closets, and checking for items that need to be replaced or need repair. Also help them go through their closet to make sure things fit especially undergarments
- 3) If clothing items are too small our Nurse Aides will usually place them in a bag that will be located either at the top or bottom of their closet.

If you have any questions please feel free to ask !
