

# Happenings at Maple Lawn

If influenza and influenza like illnesses are circulating in our community We ask that you limit your movement within the facility.

If your loved one is ill we ask that you limit your visitors for your loved one to persons who are necessary for the patient's emotional well-being and care. If you see STOP signs posted at their door please speak to a nurse prior to entering their room.

We encourage all visitors to Clean their hands upon entering the facility and when leaving. There are alcohol-based hand sanitizers at every entry point.
